25X1

1. [] the Malyy Ratovce Military Airfield (N48-32, E22-15) under construction during the months of July and August 1952. Steel landing mats had been in use on this field, and were removed when the construction began. Runways, buildings, and concrete aprons were being built [] Only the buildings indicated on page 3 were completed at that time.
2. Approximately eight armed military guards lived at this field. They patrolled the boundaries in shifts on a 24-hour basis.
